This beautifully presented three bedroom home is being offered to the market with no onward chain and would make a fantastic first time buy or family home. Ideally positioned for access to a host of local amenities, schools and Babcock, it also has the added lifestyle benefit of having the water at the end of the road, perfect for those who enjoy a coastal stroll or even a spot of evening fishing.

The property has been completely redecorated and recarpeted throughout, creating a fresh, modern home that is ready for its new owners to simply move straight into and enjoy.

On entering, you are welcomed into a spacious lounge offering generous proportions and a pleasant outlook across the street. This is a lovely space to relax and unwind with the family and flows through into the bright and airy kitchen/diner.

The kitchen/diner provides a fantastic sociable and entertaining space with plenty of room for a dining table and chairs, making it ideal for family mealtimes or having friends over. From here, there is access into a useful rear hallway which leads to the ground floor WC and provides access out to the garden.

The rear garden is a real highlight, benefiting from a desirable south facing aspect and being designed with low maintenance in mind. It provides a lovely sunny haven for summer barbecues, alfresco dining or simply relaxing without the burden of a garden requiring constant upkeep.

Upstairs, there are three bedrooms along with the family bathroom. The master bedroom enjoys a pleasant outlook and benefits from fitted wardrobe space, while the remaining bedrooms offer flexibility for children, guests or those needing a home office.

Parking is available to the front of the property, adding further convenience to this ready to move into home.

With its fresh presentation, three bedrooms, south facing garden, proximity to Babcock, schools and everyday amenities, along with the water practically on the doorstep, this is a superb opportunity for first time buyers and families alike.

Being vacant and offered with no onward chain, a speedy move could potentially be achieved. An early viewing is highly recommended to appreciate everything this lovely home and its location have to offer.
