Nestled within a pretty and peaceful cul de sac in the popular Upper Chaddlewood area of Plympton, this delightful two double bedroom home offers a fantastic opportunity for first time buyers, young families, downsizers or those simply looking for a well positioned and easy to maintain home.

Bakers Close enjoys a wonderfully convenient setting, with an excellent range of local amenities, well regarded schools and green spaces all within easy reach. There are also great commuter links nearby, including convenient access towards the A38, along with regular bus connections making travel into Plympton and Plymouth straightforward.

The property benefits from off road parking for one car, while inside the accommodation is bright, well proportioned and offers a lovely layout for everyday living.

On entering, you are welcomed into the home with access through to a spacious and bright lounge positioned at the front of the property. There is plenty of room for a generous sofa arrangement, creating a comfortable space to retreat to and relax at the end of the day.

To the rear is the kitchen/breakfast room, offering a sociable space for cooking and dining with room to sit and enjoy breakfast or catch up over the day`s events. Its position overlooking the rear garden also makes it ideal for those with children or anyone who enjoys entertaining during the warmer months.

Upstairs, the property continues to impress with two double bedrooms, making this a particularly appealing alternative to many two bedroom homes where the second bedroom can often be compromised. Both provide plenty of space for bedroom furniture and are complemented by the family bathroom.

Outside, the rear garden provides a lovely extension of the living space. A large patio area offers plenty of room for outdoor furniture and summer barbecues, while the raised decked area creates another spot to sit back, entertain friends or enjoy the sunshine.

Further benefits include gas central heating and double glazing.

Perhaps most importantly for buyers looking to get moving, the property is being offered as an end of chain home, potentially allowing for a far simpler and speedier transaction.

With two double bedrooms, off road parking, an attractive rear garden and a peaceful cul de sac position close to everything Plympton has to offer, this is a lovely home that deserves to be viewed.
