Guide Price £650,000

This spacious detached chalet-style property offers generous and versatile accommodation, with five bedrooms arranged over two floors and excellent potential to update and remodel to suit a variety of needs. Located in a peaceful setting, the home enjoys a large rear garden that is not overlooked, offering a sense of privacy that is increasingly hard to find.

The ground floor provides ample space but would benefit from reconfiguration to maximise its potential. At the rear, the sitting room features French doors opening onto the garden, whilst a separate conservatory, accessed from the inner hallway, also enjoys views over the outdoor space.

The kitchen, whilst dated, is fully functional and offers plenty of scope for redesign and modernisation. Three of the property's five bedrooms are located on the ground floor, one of which features fitted wardrobes. A four-piece bathroom with a vanity unit serves these rooms, complemented by a separate ground-floor toilet for added convenience.

Upstairs, two further bedrooms provide flexible accommodation for family, guests, or home-working. The principal bedroom benefits from an en suite bathroom, giving it an element of privacy and comfort. As with the rest of the home, the upstairs spaces offer excellent scope for reconfiguration if desired, subject to the necessary consents.

Externally, the property`s appeal continues. The large rear garden is mainly laid to lawn, interspersed with a few mature shrubs and planters, and provides a true blank canvas for keen gardeners or those wishing to create a landscaped outdoor haven. Its private, not-overlooked position makes it ideal for relaxing or entertaining outdoors.

The property also benefits from ample off-road parking, with a gravel driveway able to accommodate multiple vehicles. There is an integral garage for additional storage or secure parking. Heating is provided via a Calor gas central heating system.

Whilst the property would now benefit from updating, it offers an exciting opportunity for buyers looking to create a bespoke home in a sought-after location. Its generous proportions, adaptable layout, and large garden make it suitable for a wide range of lifestyles, from growing families to those seeking multigenerational living.
