Burbage

Burbage is a very popular village, situated on the southern edge of Savernake Forest and offers plenty of amenities. The village offers the following amenities: village shop, primary school, combined petrol station, post office and shop, village hall, church, doctors surgery, building supplies and a public house. There is also a very active cricket club, Scout pack and a bus service connecting Burbage to Hungerford, Marlborough and Swindon. A more comprehensive range of shops and amenities can be found in the larger market towns of Marlborough 5/6 miles and Hungerford approximately 10 miles north or east. The Kennet and Avon canal also runs by on the northern edge of the village.

The Property

The property is an elevated position in the High Street which gives a feeling of privacy. This beautiful cottage has a plethora of character features with plenty of exposed timbers while also offering lots of natural light and comfortable ceiling heights. An enclosed porch, with under floor heating, leads to a hallway which then leads to a spacious sitting room that has a recessed fireplace with an electric wood burning effect stove. The sitting room continues to a gorgeous oak framed, orangery style conservatory, also with underfloor heating and from here offers a super vantage point to enjoy the garden. The kitchen/breakfast room is fully fitted with classic farmhouse kitchen oak style units giving plenty of cupboard space. There is also a ground floor shower room. On the first floor there are three light and airy bedrooms, with a large main bedroom and two other bedrooms that are doubles in size. Finally, there is a modern bathroom suite.

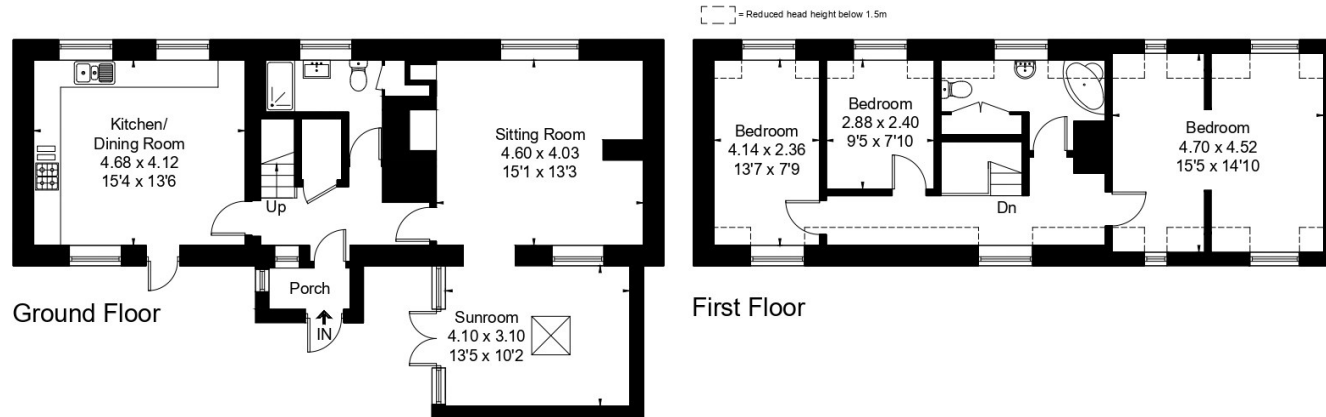

Outside

To the front of the property there is driveway that gently rises and leads to plenty of parking as well as a beautiful thatched roof double garage. Above the garage is spacious a studio room that would make an ideal office or hobby space or perhaps an occasional guest room. The pretty west facing garden is mainly laid to lawn, with plenty of mature trees and shrubs and as well as fruit trees and a patio terrace and a pond. This area of the garden is an ideal and tranquil place for dining outside. There is also a greenhouse and a shed. The garden extends to approximately 0.3 acres and backs onto fields.
