Bridges are delighted to bring to the market Two Trees, a superb four bedroom detached house occupying extensive, private grounds and is situated in the heart of this sought after South Oxfordshire village. The property offers substantial and versatile accommodation of 3,116 sq ft and includes a generously proportioned open plan living room, a good sized sitting room, a large office and a utility room. The dining room is a particular feature opening to the garden and also leading to the spacious kitchen/breakfast room. The landing leads to the bathroom and all four bedrooms with the generously proportioned master overlooking the rear garden via a Juliet balcony and further benefiting from an unusually large en en suite bathroom. The grounds are entered via electric wrought iron gates and a driveway affording parking for several vehicles. The beautifully maintained rear garden approaches 120ft in length, is predominantly laid to lawn and is skirted by established trees and shrubs. A further feature is the self contained brick constructed out building with a kitchenette and shower room perfect for accommodating relatives or guests. Kidmore End benefits from a highly regarded primary school, a lively and well attended church and the popular New Inn country pub. The nearby village of Sonning Common serves all everyday needs and both Caversham and Reading centres and Reading mainline station are a short drive. An early viewing is highly recommended by the vendors sole agent and there is NO ONGOING CHAIN.
