

## Roseland

Set within the Cornish hamlet of Roseland, Bridge Cottage is a two/ three bedroom detached house built in 1990 being a former pig shed! There is light and spacious living accommodation arranged over two floors, has been designed and finished sympathetically considering the original building and the neighbouring properties. There are character features such as a feature fireplace in the lounge housing a multi-fule burner, as well as modern contemporary kitchen and shower room. An attached
