Welcome to... BAYS COTTAGE

Welcome to Bays Cottage, a stunning four double bedroom period home, beautifully presented and located in this highly sought after village. Located minutes from all local amenities, the property enjoys a wealth of internal space across the two floors and is further complimented by a mature and private garden, whilst also benefiting from a detached double garage and driveway parking. It is because of the above that the property comes with a high recommendation to view.

Internally the property enjoys two formal reception rooms, these being the living room and the dining room. The living room is located to the rear of

the property and features a log burning stove inset to the chimney breast and as such, provides a super focal point to the room. To the head of the room are French doors which lead onto a private, sunken terrace, ideal for a morning coffee or an evening drink.

The dining room is located to the front of the property and features an open fireplace, located to the corner of the room. Perfect for entertaining, the room will comfortably house a six-eight-seater table and chairs.

Further rooms to the ground floor include the separate study, cloakroom, utility, front and side hallways and finally the spacious kitchen/breakfast

room. The kitchen enjoys a wealth of fitted units which sit alongside a host of integrated appliances. Furthermore, there is space for a four-seater table and chairs to the breakfast area.

Upstairs are four double bedrooms and the wonderful four-piece family bathroom. The principal bedroom is located to the rear and so enjoys super views over the property's mature garden. Furthermore, the room benefits from fitted wardrobes and a three-piece, en suite shower room. The three remaining bedrooms are all a lovely size, whilst the family bathroom features a freestanding roll top bath and separate shower.

Externally, a driveway is located to the side of the property which leads to the parking area and a detached double garage that benefits from light, power and an electrically operated opening roller door. The remainder of the garden is predominantly laid to lawn, featuring a fine selection of trees, shrubs and well-stocked flower beds. Completing the garden is the summer house, which is a wonderful addition and ideal for relaxing in on a warm summer's day.
