This split-level period conversion is spread over the lion share of the first floor of a beautiful detached Victorian conversion, which itself sits screened from the road behind a tall hedge.

A well maintained graveled area with stone steps leads you up to a communal covered entrance which opens into a graceful entrance hallway of Victorian proportions.

The apartment's private front door welcomes you into a bright hallway with space for a hat stand to hang coats.

Straight ahead, light pours into the spacious reception room through its bay window overlooking the calm residential street. It is an exceptionally welcoming space offering ample room for relaxing or entertaining.

To the left at the rear is the kitchen which is streamlined with a cool mix of industrial and natural materials. An exposed brick wall, rustic wooden units and steel tubed hung shelving delivers a practical yet effortlessly stylish kitchen.

Returning to the hallway, the bathroom's spa like tranquillity is created by its monochrome floor effect tiling and contemporary white suite, with shower over bath. A large sash window bathes the room with natural light.

Two double bedrooms, one which is split level with the added benefit of a further space beyond with plumbing for utility machines, complete the property.

This fabulous apartment benefits from two off street parking spaces and a communal mature south facing garden. It is also conveniently located in a sought after residential street with first rate schools, commuter links and shops on its doorstep. A must see!

It also sits just south of Tonbridge, with the A26 passing through it offering easy access to the A21 which leads to the M25. Southborough Common, situated towards Park Road's end of the village, is a conservation area where cricket has been played for more than 200 years. If you're a runner, dog owner or casual walker, the woodland area of the Southborough Common, nestled behind St. Peters Church, is a very beautiful space. Ancient and young trees slope down to a stream with access to Holden Pond and Bidborough and Speldhurst villages beyond. Excellent secondary, independent, preparatory and private schools can be found in both Tunbridge Wells and Tonbridge, while Southborough and Bidborough have their very own primary schools. Park Road is also within the catchment areas for the 5 highly regarded and sought after Tunbridge Wells and Tonbridge Grammar Schools. If that isn't enough, you can fall out of your door in the morning onto a luxury coach service straight to Canary Wharf, the City, Embankment and other central London destinations at half the cost of rail travel enabling you to slumber or work using its Wi-Fi connectivity as you travel.
