Lily Court is truly a unique building that sits majestically at the end of a private cul de sac. Its combination of red brick, hung tiles and fresh cream paintwork stretches skywards with its gabled roof points.

Positioned just south of the town centre, it is only a short walk to Tunbridge Wells mainline station and The Pantiles` vibrant cafes and restaurants. Your everyday needs are met by a convenience store on the corner while a large supermarket close by caters for all your other requirements.

A stylish communal entrance secured by an answer phone system leads you through its fully glazed door into the bright shared hallway.

The apartment`s own front door opens into a crisply painted hallway with a deep storage cupboard, perfect for storing coats and shoes to keep the hallway clutter free.

To the left is a sumptuous bathroom, its white fittings and contemporary tiles creating a soothing bathing experience.

Next door the luxurious master bedroom with its boutique hotel chic provides a restful retreat from the outside world, its immaculate en-suite completing the experience.

The second bedroom is another large bright double bedroom.

Across the hallway is the open plan living/dining room with its streamlined kitchen to the left. Its dual aspect windows flood the room with natural light and there is ample space for a deep sofa and a dining table and chairs.

The well separated kitchen area forms an open U space at the far end of the living room enabling you to chat to friends and family as you prepare dinner. Plenty of stylish units topped with wooden effect work surfaces are separated by the integrated appliances whilst a window over the sink brings in more natural light.

The impeccable design of this apartment offers an incredible sense of light and space which has been further complimented by the owners` eye for detail. It really delivers contemporary living at its best and deserves to be admired.
