This graceful period home oozes Victorian charm whilst delivering a family friendly contemporary style of living.

As you step into the immaculate hallway the owner's ability to beautifully blend modern finishes with traditional features is immediately apparent. Its luxury Karndean wooden effect flooring stretches to the rear and side and there are three useful under stairs storage cupboards to keep the space clutter free.

To the left, light pours into the dining room through its shuttered bay window overlooking the residential street. It is an exceptionally welcoming space with stylish décor and a gas effect wood burning stove.

Next door is the kitchen with a cleverly designed breakfast bar being the central focus of the room. It houses the sink, offers wooden counter top space and seating for 3 bar stools. There is plenty of cream cabinetry topped off with wooden work tops and a beautiful wooden part glazed fitted dresser. A deep walk in larder with shelving provides lots of storage space.

Behind is the utility room which has space and plumbing for appliances and a door providing access to the garden. The cloakroom to the rear can house an additional appliance.

At the end of the hallway is the living room. Its period fireplace adds character and French doors at the rear extend the living space onto the wide decked terrace in the warmer months.

Climbing the carpeted stairs to the first floor there are three bedrooms, all with pretty period fireplaces. The master bedroom at the front extends the width of the house and its shuttered windows and graceful proportions give a very tranquil feeling.

Across the landing is the modern family bathroom with a shower over the bath. Dual aspect windows reflects light off its white fittings and contemporary tiles for a soothing bathing experience.

Up a further flight of stairs to the second floor is a further double bedroom suite. Its soothing tones and contemporary en-suite make it a restful retreat. Deep walk in eaves storage spaces offer excellent development opportunities.

Outside the garden is a neat lawned area bordered on both sides by pretty low flower beds. It is fully enclosed offering a sanctuary for children and pets whilst a fantastic decked terrace, accessed directly from the living room, makes it perfect for summer entertaining. There are two sheds for storage and side street access too.

This fabulous period home is a short walk from first class grammar schools and mainline stations making it perfect for families with professional needs. A must see!
