The apartment's own front door opens into a crisply painted hallway with light flooding in from its rooms running off it at every angle. Two deep storage cupboards on the right and at the far end are perfect for storing coats and shoes to keep the hallway clutter free.

To the left is a sumptuous bathroom, its white fittings and grey contemporary tiles creating a soothing bathing experience.

Next door the luxurious master bedroom with its boutique hotel chic provides a restful retreat from the outside world, its immaculate en-suite completing the experience.

The second bedroom is another large bright double bedroom and benefits from a deep inbuilt wardrobe.

Across the hallway is the open plan living/dining room with its streamlined kitchen to the right. Its dual aspect windows, one of which is floor to ceiling, and fully glazed French door leading out onto the private terrace, flood the room with natural light. There is ample space for a deep sofa and a dining table and chairs while the covered terrace provides the perfect spot for alfresco dining in the warmer months.

Plenty of stylish units topped with wooden effect work surfaces are separated by the integrated appliances with light flooding in from the large windows in the living area.

The impeccable design of this apartment offers an incredible sense of light and space which has been further complimented by the owners' eye for detail. It really delivers contemporary living at its best and deserves to be admired.
