This fantastic home has been loved by the same family for over five decades and enjoys open countryside views while being a short walk from local shops, sought after schools and excellent transport links.

Set back from the road by a low wall with a pretty lawned garden behind, there is gated rear garden access and steps that lead up to the covered entrance door.

First on your left is the living room which is flooded with light from its front aspect window. A fireplace adds warmth in the colder months and there is plenty of room for sofas.

Accessed through an opening behind is the dining room, conveniently placed next to the kitchen, with a window bringing views of the garden in.

The kitchen is light and spacious with plenty of cupboards, worktop space, an integrated oven and room for additional appliances. The sink is placed under the window and a part glazed door opens into the utility room with access into the rear garden, cloakroom and storage room to the front.

Climbing the stairs to the first floor there are three bedrooms, all with large windows and two of which are generous doubles.

Completing the floor is the bathroom with a panel enclosed bath and a rear aspect window drawing in lots of natural light.

Outside to the rear, the garden is a green oasis and is wonderfully long with paved terracing, areas of lawn and stocked flower beds. It is safely enclosed by wooden fencing for pets and children and there is a greenhouse at the back.

This home gives you the opportunity to modernise it to suit your own taste and needs making it perfect for a family, young professionals or buy to let investors. A must see!
