This fantastic house has undergone a complete renovation by the current owners to provide a flawlessly finished home that you could move straight in and enjoy. It has been impeccably designed to deliver a 21st century family friendly style of living with spaces that flow from the inside out.

A painted exterior with blue fencing and entrance door provides plenty of kerb appeal, with a detached garage to the side, fronted by an off-road parking space.

Stepping inside, through an enclosed porch, the hallway's warm parquet flooring links each room, delivering a natural flow. There are fitted cupboards to keep the space clutter free, and a coat stand with storage.

First on the right is the principal bedroom with its dual aspect light brightening the room. The dimensions of the space and soft décor create a very tranquil feeling, with the rear sliding glazed doors framing the garden view.

Next door and opposite are two further restful bedrooms, one double aspect and the other with fitted cabinetry and enjoying garden views.

Along the hallway is a home office with bespoke cabinetry, a stylish and contemporary shower room, a utility room with an additional sink with garden access and a useful guest cloakroom.

At the rear is the living room, which opens into the wonderful kitchen/breakfast/dining room ensuring it benefits from the wall of glass that the bi-folding doors offer. There is plenty of room for seating and its open aspect makes it a very social space.

Stepping down into the incredible open plan kitchen/breakfast/dining room, the room is flooded with light and views of the garden with a large, glazed roof lantern over the cooking area. It delivers wonderful cooking facilities with Shaker style cabinets, contrasting quartz and walnut counter tops, a Bosch dishwasher and room for additional appliances. The island with its Belfast sink and storage has a breakfast bar overhang, perfect for your morning coffee. For family and entertaining, there is tons of space with room to the side for a large dining table and chairs. The bi-folding doors at the rear open to extend the living space into the garden in the warmer months.

Outside the sunny south facing garden has a paved terrace that wraps around the back of the house and to the side with an additional seating area, perfect for summer dining and entertaining. There is an expanse of lawn, which is bordered on all sides by wooden fencing, offering a safe sanctuary for children and pets and mature stocked flower beds and a barked children's play area too. There is also gated access to the front street and the garage.

With local shops, popular schools and excellent transport links on its doorstep, this fantastic house enjoys the best of both worlds as it is also close to Southborough Common, an area of outstanding natural beauty, the cricket green, woodland walks, and open countryside. A must see!
