This map displays the noise levels from nearby network rail and HS1 railway routes that affect this property...

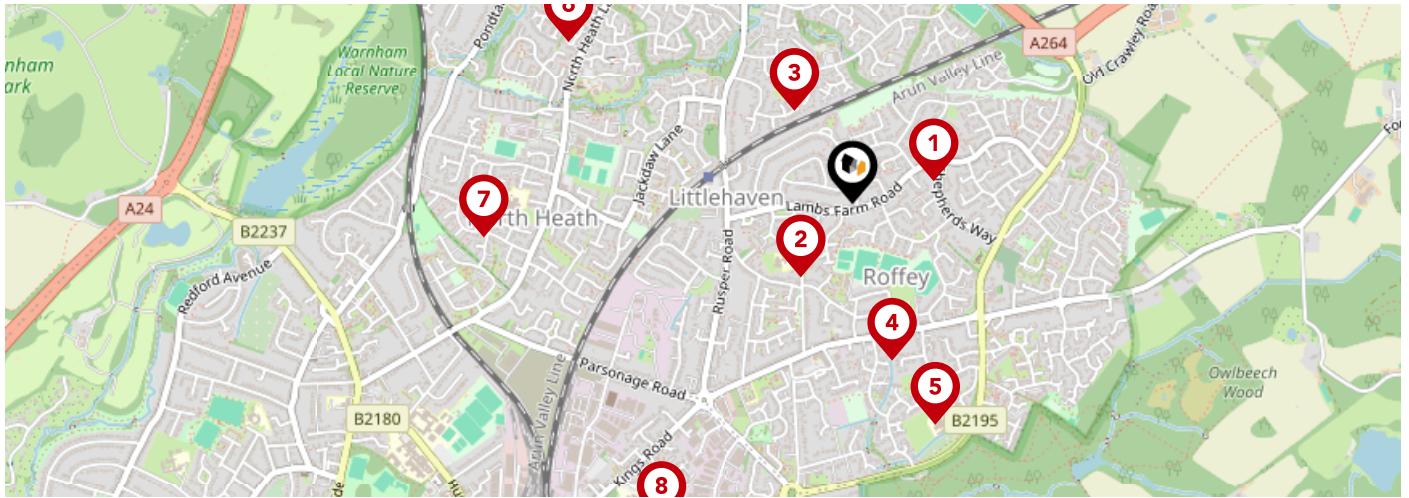

Rail Noise Data

This data indicates the level of noise according to the strategic noise mapping of rail sources within areas with a population of at least 100,000 people (agglomerations) and along Network Rail and HS1 traffic routes.

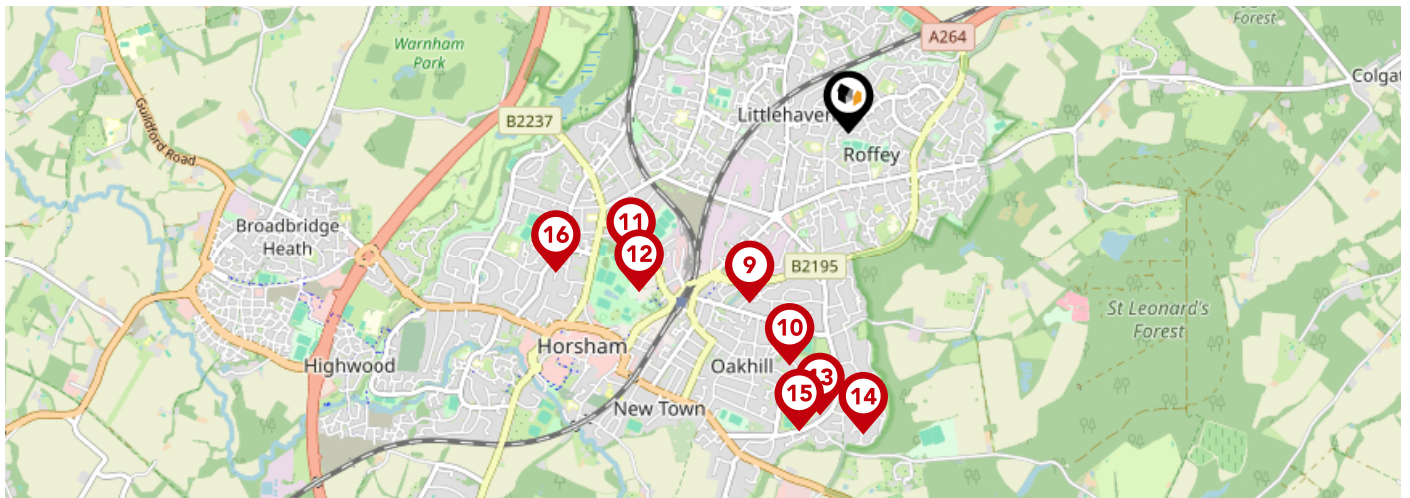

The data indicates the annual average noise levels for the 16-hour period between 0700 - 2300.

Noise levels are modelled on a 10m grid at a receptor height of 4m above ground, polygons are then produced by merging neighbouring cells within the following noise classes:

5		75.0+ dB	
4		70.0-74.9 dB	
3		65.0-69.9 dB	
2		60.0-64.9 dB	
1		55.0-59.9 dB

What is Radon?

Radon is a natural radioactive gas, which enters buildings from the ground. Exposure to high concentrations increases the risk of lung cancer. The UK Health Security Agency (UKHSA) recommends that radon levels should be reduced in homes where the annual average is at or above 200 becquerels per cubic metre (200 Bq/m³).

This data indicates the level of noise according to the strategic noise mapping of road sources within areas with a population of at least 100,000 people (agglomerations) and along major traffic routes. This indicates a 24 hour annual average noise level with separate weightings for the evening and night periods.

Noise levels are modelled on a 10m grid at a receptor height of 4m above ground, polygons are then produced by merging neighbouring cells within the following noise classes:

- 75.0+ dB
- 70.0-74.9 dB
- 65.0-69.9 dB

Testimonial 1

We had a great experience selling with At Home. Paul was super helpful and very knowledgeable about the local housing market. He secured the price for our house that he said he would. We found Nicky brilliant at calling us to keep us informed on how the chain was progressing. They contacted us again following our move to check how everything had gone. We are pleased to recommend this fantastic local business!

Testimonial 2

We could not recommend the At Home team enough, they have been absolutely amazing from the start. Paul was always available day or night for any matter, we also got our mortgage through about mortgages and Paul managed to find us the perfect mortgage. The whole team were always happy to help and were very professional, would highly recommend!

Testimonial 3

Not sure where to even start !! After both buying and selling with Paul and his team I can't praise them enough. Day or night and 7 days if required the team were available. They went way beyond what I expect any other agent would do. No 'silly' question was ever too much hassle. Paul and the rest of the team are a very hands on business and a good example of what other agents can aspire to be. Thank you all so much.

Testimonial 4

We had first class proactive service from Paul, Alex and the team, who kept on top of the process of moving from beginning to end, made the effort to manage the details and made sure we were happy every step of the way. Completely exemplary service, and we would recommend - great job!
