## Prince Of Wales Terrace, Kensington, W8

Prince of Wales Terrace, W8 is a boutique collection of 13 elegant newly refurbished apartments housed in a Stucco-fronted building from the early 1860s.

Located moments from Hyde Park and the amenities of Kensington High Street.

Tucked away on a quiet cul-de-sac, the apartments are the epitome of luxury and period design. The apartments have all been sensitively restored with many period features retained including working fireplaces, sash windows and high ceilings. Every home has a private terrace or balcony with Victorian chequerboard tiling, and high-tech features such as smart home controls and indoor and outdoor TVs, comfort cooling, Alexa voice control, etc.

The properties each vary in terms of layout, but all are finished to an equally high standard and thoughtfully designed. Each home comes with at least two ensuite bathrooms and separate guest bathroom.
