£300,000 - £310,000. Available with no onward chain- A very well presented three bedroom ground floor apartment with its own private entrance forming part of an exclusive small purpose-built development in the Lower Meads area of Eastbourne. The apartment has been thoughtfully designed, with the living accommodation separated from the bedrooms by an inner hall. The generous living room has a defined dining area and the kitchen is fitted with a range of matching wall and base units beneath contoured work surfaces with an adjacent utility room with a door providing access to the gardens. All three bedrooms have fitted wardrobes and are served by both a bathroom/wc and a shower room/wc. Although the gardens are strictly speaking communal, the owners of 3 Collington Close have informally adopted the area of garden at the rear of the flat and also enjoy access to a delightful larger area of communal garden. Other benefits include gas central heating and sealed unit double glazing and particularly generous storage cupboards. Collington Close enjoys a convenient location, being approximately a half mile from Eastbourne town centre, Meads Village shopping facilities and the seafront.
