A detached family home in one of the more popular parts of the Lower Earley development. The property has low maintenance gardens with a detached garage at the rear and off-road parking for two cars. The seller has constructed useful storage to either side of the property.

The property is well placed for access to the Asda and Marks & Spencer complexes and regular 24-hour bus services into Reading town centre, where the main line railway station offers services to Paddington, services on the Elizabeth line, and services to Waterloo.

The M4 motorway can be accessed either at Junction 11, where there is also the A33 south to Basingstoke, as well as Green Park and its new railway station; or at Junction 10 where London then lies approximately 40 miles away and Heathrow Airport approximately 28 miles away.
