Accommodation

Arranged over two well proportioned floors, the interior is light, airy, and well planned, offering excellent versatility for both everyday living and home working.

The stylish kitchen is fitted with a built-in oven, microwave oven, and dishwasher, and opens seamlessly onto the dining area, which in turn leads into the conservatory. The loving improvements made by the current owner have enhanced the sense of space and connectivity, creating an inviting feel throughout the ground floor.

The former garage has been converted into a useful workshop, offering excellent storage or hobby space. This area could be converted back into a garage, or potentially adapted into additional accommodation, subject to the relevant consents.

Gardens

The gardens offer multiple areas for relaxation and enjoyment and form a natural extension of the internal living spaces. The side garden, accessible from the sitting room, wraps around to the front and benefits from raised trellis screening to provide additional privacy, together with a security light and driveway parking. To the rear, the garden is mainly level and enjoys a pleasant Southeast aspect. Gated side access provides convenient access between the front and rear gardens.

Parking and Workshop
