Offered to the market with no onward chain, the property enjoys a convenient position within the highly sought after Old Stroud area.

Accommodation

Arranged over two floors, the accommodation offers a traditional and versatile layout with several character features. The property is entered via the front door into a sitting room, featuring an attractive fireplace, creating a warm and welcoming focal point.

A separate dining room provides additional reception space. The fitted kitchen comprises a range of base units with roll edge work surfaces over, an inset stainless steel sink, and tiled splash backs. Beyond the kitchen is a rear lobby leading to a bathroom, which now requires refurbishing.

A useful potting room/utility area provides plumbing for a washing machine and additional storage space, although prospective purchasers should note that the windows and external door within this area require replacement.

Stairs rise from the sitting room to the first floor landing, where exposed beams add further character. The landing also provides access to the loft space. Doors lead to three generous double bedrooms, with the principal bedroom benefiting from an airing cupboard providing useful storage. Bedroom two also enjoys access to an additional loft space.

Design and Features

The property retains some character features and offers significant scope for improvement and modernisation. Features include exposed timber beams, a fireplace within the sitting room, gas central heating, and double-glazed windows throughout much of the property. Prospective purchasers should note that the front and rear doors, together with the windows and door serving the utility area are not double glazed. The property offers excellent potential to create a charming family home whilst retaining its period appeal.

Gardens and Grounds

To the rear of the cottage is an attractive courtyard style garden, providing a pleasant space for seating and outdoor enjoyment. Beyond this lies a further generous garden area which is currently overgrown but offers considerable potential for landscaping and cultivation.

Additional external features include a substantial workshop measuring approximately 23'4", a separate stone-built out building, and a further storage unit, providing excellent space for hobbies, storage, or workshop use.

Parking

The property benefits from valuable off road parking, providing convenient parking facilities close to the house.
