Step Inside

In one of Goring-by-Sea's most coveted locations, this exceptional detached property sits back from the central trees and greenery of Sea Lane merely a stroll from the beach and Greensward.

Impeccably arranged and styled, a prodigious layout of circa 2545sq ft pairs considered contemporary design with feature patterned walls to proffer a hugely tasteful yet luxurious residence. A superbly sized entrance hall unfolds onto interconnecting reception rooms delineated by timber framed folding doors that give you the option of having one extensive open plan space when needed. With wide bay windows a double aspect living room has the focal point of a wood burner within its elegant fireplace, whilst the large adjoining family/sitting room flows into a magnificent kitchen/dining room where bi-fold doors open to the patio and allow garden views to be carried through.

Beautifully appointed for both everyday life and entertaining, the large kitchen area of this outstanding space is illuminated by a roof lantern and fully fitted with the clean lines of handleless cabinets housing a first class array of integrated appliances. Vibrant splashbacks add a dash of colour and a central island has bar stool seating. Cleverly arranged, the L-shaped layout keeps laundry appliances hidden from view and connects with an equally notable gym with a roof lantern and bi-fold doors to a decked hot tub area. Flexible to your needs, it could easily become a home office or playroom if preferred and provides secure access to the integral garaging.

Upstairs the deluxe detailing continues in four exemplary bedrooms. An enviable main bedroom creates its own wing of the house extending into a fitted walk-through dressing room and a stylishly deluxe en suite. Teenagers will appreciate the privacy of a second double bedroom with a cleverly incorporated en suite shower room, while a tremendous family bathroom adds a stunning finishing touch with a contemporary bathtub, glass-framed waterfall shower and twin basins. A ground floor cloakroom completes the layout.

Tastefully landscaped, the considerable walled frontage instantly hints at the lifestyle and attention to detail that this of this property offers. A substantial driveway combines with the integral garaging to supply plenty of private off-road parking, immaculately maintained flowerbeds frame and established lawn and a charming arched porch adds to the character of the bay fronted red brick facade.

To the rear the bi-fold doors of the kitchen/dining room and gym supply a seamless interplay with a duo of decked and paved patios that produce a highly enticing place for al fresco dining and a hot tub. A large raised pond adds to the tranquillity, accomplished landscaping and mature shrubs define the space and a long lawn reaches down to a timber summer house and gazebo that sit neatly in either corner.
