Brightwell**

A character filled six bedroom semi detached house with generous and versatile accommodation arranged over four floors benefiting from off road parking, a garage and a private, 150 ft south facing rear garden. Ideally located within a short walking distance of the town centre and railway station.

Stone steps lead to the front entrance and into the welcoming reception hall, featuring the original staircase. Victorian panelled doors open into the sitting room and dining room, both of which retain a wealth of period features including original sash windows with shutters, picture rails, and decorative coving. The kitchen has been refitted with a range of modern units and opens into a bright sun room overlooking the garden. Also on the ground floor is a shower room, while stairs from the hallway descend to the basement level, formerly used as a doctor's surgery. This versatile space comprises a spacious sitting room, a bedroom or large office, a boiler room, and its own separate entrance from the driveway, offering excellent annexe potential. The first floor provides two large double bedrooms, a family bathroom, and a separate WC. The top floor offers two further generous double bedrooms, a sizeable single bedroom, and a nursery/box room.

Externally, the 64 ft x 39 ft front garden is well stocked with a variety of mature trees and shrubs, creating a high degree of privacy. A gated driveway provides ample off road parking and access to the garage. To the rear, the delightful 150 ft south facing garden enjoys a private setting and features established, well stocked borders that provide colour and interest throughout the year. A large lawn extends to a substantial vegetable plot, complete with a selection of greenhouses and a historic air raid shelter.

In summary, a truly unique Victorian residence offering a glimpse into the past while presenting an exciting opportunity to modernise and create an exceptional family home. Internal viewing is highly recommended to fully appreciate the character, space, and potential this remarkable property has to offer.
