Development Opportunity – Plot of Land with Outline Plans

A fantastic opportunity to acquire a prime plot of land offering excellent development potential. The site benefits from outline plans currently in place, providing an exciting opportunity for builders, developers, or self-build enthusiasts to bring their vision to life.

The outline plans allow for a pair of detached family homes, however, alternative schemes or uses may also be considered, subject to obtaining the necessary consents.

Situated in a desirable area close to local amenities, schools, and transport links, this plot represents a rare chance to create a bespoke development in a sought-after location.
